

JURORS DRAWN FOR NOVEMBER

Additional Names Had to Be Placed in the Jury Wheel

During the drawing of jurors for the November term of common pleas court, the supply of names which had been placed in the jury wheel at the beginning of the year was exhausted.

The jury commissioners were able to fill the list of 80 names for the first week of November court, but there were only 74 names for the second week.

It will not be necessary to complete the list for the second week, but the court will be called upon to place enough names in the jury wheel to draw the grand and petit jurors for the December term of criminal court.

At the beginning of the year 1,300 names, the customary number, were placed in the wheel, but later the court decided to increase the number of names on the panels because so many men drawn for jury service were asking to be excused. The common pleas panels were increased from 65 to 80 names for each week and the criminal court panel from eight to 100 names.

As a result the supply of names in the jury wheel ran out. When the jury wheel is filled in December for the juries to be used next year, the supply will be increased because of the larger jury panels now being used by the court.

The jurors drawn for November follow:

"Cure Your Rupture Like I Cured Mine"

**Old Sea Captain Cured His Own
Rupture After Doctors Said
"Operate or Death."**

(His Remedy and Book Sent Free.)

Captain Collings sailed the seas for many years; then he sustained a bad double rupture that soon forced him to not only remain ashore, but kept him bedridden for years. He tried doctor after doctor and truss after truss. No results! Finally, he was assured that he must either submit to a dangerous and abhorrent operation or die. He did neither! He cured himself instead.

**"Fellow Men and Women, You Don't Have
To Be Cut Up, and You Don't Have
To Be Tortured By Trusses."**

Captain Collings made a study of himself, of his condition—and at last he was rewarded by the finding of the method that so quickly made him a well, strong, vigorous and happy man.

Anyone can use the same method; it's simple, easy, safe and inexpensive. Every ruptured person in the world should have the Captain Collings book, telling all about how he cured himself, and how anyone may follow the same treatment in their own home without any trouble. The book and medicine are FREE. They will be sent prepaid to any rupture sufferer who will fill out the below coupon. But send it right away—now—before you put down this
